

Shrink Films

DYNACLEAR POLYOLEFIN

Dynaclear Polyolefin was developed to perform on all types of shrink-wrapping equipment. This film was engineered to cut and shrink at lower temperatures when compared to other shrink films. This unique feature allows for use on manual "One-Step" machines, which typically use low temperature air circulation and generally cannot shrink other polyolefin films. Dynaclear will also improve productivity of high-speed shrink packaging systems and reduce the high cost of power consumption. Dynaclear is both FDA and Postal approved.

WHY OUR FILMS?

- PRO PACK stocks its films; that means quick delivery of one week or less
- Strong national distribution
- Clean strong seal
- Good optics
- FDA conformance
- Postal approved
- Seals will not get brittle with age
- No harmful fumes
- Lower dwell time increase productivity
- Backed by multibillion dollar worldwide corporations

**ALL OUR SHRINK FILMS ARE
F.D.A. & POSTAL APPROVED**

PACKAGING SYSTEMS & FILMS

Pro Pack Group specializes in shrink wrap machinery and materials. We offer a wide range of machinery, from basic manual one-step equipment to sophisticated, high speed, fully automatic systems. In addition, we stock a full range of shrink films and sleeves: polyolefin, polyethylene and PVC, in a variety of sizes and gauges, centerfolded and singlewound. For distributors who want to increase their understanding of shrink machinery and materials, we hold seminars at our Englewood, NJ headquarters.

With over 25 years experience in the packaging industry, Pro Pack Group offers innovative, knowledgeable solutions to your packaging needs at competitive prices. We pride ourselves on our prompt, efficient customer service and our ability to stay on the cutting edge of a fast moving industry.

Shrink Wrap Applications

PACKAGING SYSTEMS POLYOLEFIN & P.V.C. SHRINK FILMS POLYETHYLENE, BOPP

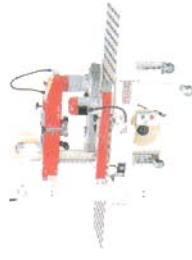

Stretch Wrappers
Low & high profile

Flow Wrap Systems
Horizontal & vertical systems

Sleeve Bundling Machines
Manual & fully-automatic

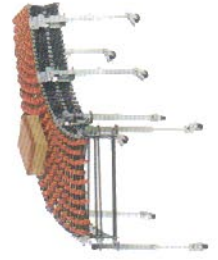

Carton Sealers
Semi & fully-automatic

Strappers
Semi & fully-automatic

Bagging Systems
Semi-automatic & high-speed

Conveyors
Flexible skatewheel, flat & lugged-in-feed

P.V.C. Products:

- Tamper Evident Shrink Bands
- PVC Tubing
- Shrink Bags
- Promotional Bands
- Shrinkable Labels
- Shrinkable Gift Bag

PRO PACK Provides:

- 40,000 Square-Foot Facility
- 2,500 Square-Foot Showroom
- Training Seminars
- Installation, Start-up and Training
- Service & Repair Department
- Fully Stocked Inventory
- Next-Day Delivery

Ph. (201) 871-8787 – Fax (201) 871-8908
