

**Semi-automatic stretch system model: MH-FG-2000 A / B**

| <b>MH-FG-2000 A - B</b> |                  |
|-------------------------|------------------|
| Description             | Single Turntable |
| Production rate         | 25 – 30 LPH      |
| Floor space             | 106"D x 50"W     |
| Shipping weight         | 1,250 lbs        |

Series MH-FG-2000 semi-automatic low profile turntable (3" H) spiral stretch wrap systems will wrap up to 30 loads per hour, maximum load capacity 50" W x 50" L x 80" H weighing up to 4400#. Our power pre-stretch 20" film delivery (available on the "B" model) is one of the safest, easiest to load, and operator friendly systems available. Series MH-FG-2000 systems include turntable speeds up to 15 RPM, easy to use controls, separate top and bottom wrap counters, variable speed controls for turntable(s) and film carriage drive motors, automatic load height sensor (ALHS) photo eye, standard industrial type push buttons, relay control logic, NEMA 12 enclosures, and electro-static powder coated paint finish. Standard electrical input requirement is 115V 15 Amps. Special options are available upon request.

| <b>SPECIFICATIONS</b>       |                      |

| Film Capacity               | 10" roll diameter    |
| Standard Film Width         | 20"                  |
| Approximate Shipping Weight | 5500 lbs             |
| Electric                    | 220 V                |

**Fully-automatic stretch system model: MH-FG-2000 FA**

Customers wrapping 80-240 loads per day find the MH-FG-2000 FA to be the answer to improving their shipping operation. Forklift "traffic jams" around semi-automatic machines are eliminated and operator involvement in the wrapping cycle is not required.

The MH-FG-2000 FA automatic motorized conveyor stretch wrapper can operate as a free-standing unit or be integrated into a high volume operation.

**Warranty**

A limited warranty by Pro Pack Group covers each system for a period of one year. Specific details regarding this warranty are available from Pro Pack Group and its authorized distributors.
